CARLISLE UNITED AFC SEASON 1987-88

CLIVES COMMENTS

Last Saturdays victory against Rochdale was particularly pleasing in view of the injury to goalkeeper Mark Prudhoe who pulled a thigh muscle in the first half.

We played better the week before against Peterborough and got nothing. The back four played well. They had to protect Mark a little and did it well.

We have had five clean sheets in our last nine games which is pleasing. It's no good scoring if you are conceding goals and we have certainly tightened up a little bit in defence.

It was good to see on loan striker Dean Holdsworth get a goal against Rochdale. He was quite confident before the game that he would score which is good to hear. Overall against Rochdale we played quite well as a team and the injury to Mark Prudhoe killed it a little bit for us. But three points are very welcome.

Looking to the future I made my first schoolboy signing since taking over at United. The youngster in question was 14 year old Craig Potts from Fellside Grove, Belle Vue. He is a youngster with good control and good skills who is one for the future.

Celtic and another league club wanted to sign him but he wanted to stay with Carlisle which is good. He came through the school of excellence scheme which shows it's value to the club.

I had a busy day last Saturday watching the reserves and the Youth team in the morning before the first team game against Rochdale. It was a good opportunity to see all three teams in action.

Today we welcome Bolton Wanderers to Brunton Park for our third home fixture in successive weeks. They have moved into the promotion placings in the last month and will provide us with a real test.

CUMBRIAN CHATTER

Bolton Wanderers, our visitors this afternoon, are one of the 12 original members of the Football League. They came into existence under their present title when their fore-runners, Christ Church F.C., changed their name in 1877. The club's first football was purchased from monies raised by a contribution of sixpence from each member. The annual subscription at that time was one penny per annum per member. You could do quite a lot with a penny in those days!

Burnden Park which has been the home of "The Trotters" since 1895 was opened with a 'friendly' against Preston N.E.

The many 'golden oldies' who have been associated with the club include David Jack, Ted Vizard and Nat Lofthouse.

Sadly, United did not make it to the twin towers of Wembley for the Mercantile Credit Centenary Festival which takes place on 16th and 17th April and will involve 16 clubs from the four Divisions of the Football league. Our old friends over in the N.E., Sunderland and Newcastle United will be there, and as Liverpool and Everton have also qualified, there could be some interesting "derby" clashes. The other 12 clubs to qualify are:- Manchester United, Wimbledon, Luton, Sheffield Wednesday, Nottingham Forest, Blackburn, Aston Villa, Leeds, Crystal Palace, Wigan, Wolves, Tranmere. Each participating club will receive a £15,000 appearance fee and in addition, will be playing for the following prizes:- Winner £60,000, Runner-up £35,000, 3rd and 4th £15,000 each and 5th to 8th £5,000 each.

Congratulations to 'Blues' stalwart Andy Robinson who celebrates his birthday on March 10th. Have a nice day Andy.

Our Reserve team was in action last week-end against Bury Reserves running out easy 6-1 winners. The 'A' team went down 1-3 to Oldham 'A'.

Tallyho! The fox is back and the "Blues" celebrated with three well earned points against Rochdale. I am just slightly over the age limit for the competition to name our new fox, but if it has not been named by the time these notes appear in print, might I suggest "Vicky", bearing in mind that it is a vixen. Alternatively, why not stick with the name Olga and keep the old tradition going? After all, the fox "Twinkletoes" had in his possession at the time of his untimely passing was, I believe, 3rd or 4th in the line of 'Olgas'. As a postscript to this intriguing subject, do you remember what "Chatter" said in the Torquay programme way back in November? — "Is the run of bad luck which has bedevilled United over the past two seasons connected in some way with the absence of Olga the Fox? Whether or not you believe in the "jinx" factor there certainly seems nothing to lose by resurrecting Olga". Whether or not last Saturday's result was sheer coincidence, I sure am glad that fox is back.

The Quiz in the Peterborough programme was won by David Steele of Carlisle. Congratulations David, your prize awaits you. The correct answer was J.Q. McPherson Snr. and Jr. Still well remembered it seems.

Answer to the Quiz in the Rochdale programme will appear in the Crewe Alexandra programme.

MEMORY LANE

Highlights of season
1898-99

In the early years of organised professional soccer, the majority of the clubs in the First Division of the Football League had a familiar ring — Sunderland, Villa, Wolves, Liverpool, Everton, Preston, Bolton and so on. But in the Second Division in the period under review, there were quite a number of less familiar clubs who have long since disappeared from the League scene. Burton Swifts, Newton Heath, Loughborough and Darwen spring readily to mind. There was also Small Heath, the forerunners of Birmingham City.

An extraordinary event in this season concerned a First Division match between Aston Villa and Wednesday which was abandoned after 80 minutes because of bad light. The remaining 10 minutes were played out **4 months later** and the goal which Wednesday scored during that time was added on to the score at the time of the original abandonment — 3-1 to Wednesday, making a final score of 4-1. Villa went on to win the championship and Wednesday went down into the Second Division! Presumably, any enthusiasts who turned up to watch the 10 minutes of high drama were admitted free.

The end of the 19th century saw the emergence of great players like Steve Bloomer who notched 352 goals during a distinguished career with Derby County and Middlesbrough and the "Welsh Wizard" Billy Meredith who pirouetted down the wing to great effect for both Manchester clubs for whom he totalled 669 league appearances adding 50 "caps" on the way. He made one of his last appearances for Manchester City in an F.A. Cup semi-final against Newcastle United shortly before his 50th birthday.

Despite his prolific goal scoring record which was not surpassed until the days of Dean and Rowley, Bloomer had a casual approach to the game off the field and was a frequent absentee from training sessions — particularly if he was due to appear in an international match. It seems that so long as the great man did his stuff on the park the officials at the Baseball ground were happy to turn a 'blind eye'!

Runners-up to Villa in the 1898-99 League Championship race were Liverpool, Bolton Wanderers and Wednesday were relegated, but came straight back the following season.

Manchester City were Second Division champions.

The F.A. Cup Final was played at the Crystal Palace, Sheffield United trouncing Derby County 4-1.

England won the Home International Series and the F.A. Amateur Cup stayed in the North when Stockton defeated Harwich and Parkeston 1-0 at Middlesbrough (the previous years winners).

Up in Scotland, Rangers won all of their 18 matches to take the Scottish First Division Championship scoring 79 goals in the process and conceding 18. They fell at the last hurdle in the Scottish F.A. Cup final at Hampden Park, going down 0-2 to old rivals Celtic.

4th DIVISION SCENE

STRIKERS IN GREAT DEMAND

One of the big incentives for any Fourth Division striker is that, if he does well, he had a great chance of earning himself a lucrative transfer to a bigger club. Darlington's David Currie was the latest to follow the road to fame and fortune when he was transferred to Barnsley for £150,000 just under a fortnight ago.

Darlington's top scorer with 13 last season, David was one of the Fourth Division's best marksmen with 22 goals this season for Darlington. He made a two-goal start to his Second Division career with Barnsley last Saturday though his team was beaten 2-3 at home by Ipswich.

Currie followed Crewe's David Platt into the Second Division. David had struck 22 goals for Crewe — following his 23-goal hit last term — when Aston Villa snapped him up for £200,000. He quickly settled in the higher grade of football and has scored in his last two matches for Villa.

Earlier in the season it was Cambridge United's David Crown who took a more modest step up the ladder, joining Third Division Southend. David now has the odd distinction of currently being top scorer for two League clubs. He remains at the head of the Cambridge list with 12 goals and, with 10 goals for Southend, he is now their leading marksman, too!

One striker who seems certain to move into the big time is Wolves' Steve Bull who scored two more for his club last Saturday and who is now the country's top scorer with 37 goals.

Steve scored two early ones to give Wolves a 2-0 advantage over promotion rivals Bolton at Molineux last Saturday. Wolves were 4-0 ahead at the interval and held that score.

Manager Graham Turner desperately wants to keep his star striker and he would need an offer in the region of £250,000-plus before he would even consider selling.

Bull left W.B.A., to join Wolves last season, with a point to prove. Albion's then manager Ron Saunders had told him he did not have the ability to reach the top. "I would like to prove him wrong," said Steve.

Last season Steve topped Wolves' list with 18 goals.

Until last week, Wolves had been losing ground in the promotion race, having failed to win in three games. For a while, it seemed their goals supply might have dried up for they netted only once during that sequence.

Fortunately for Wolves, many of their rivals have also been dropping points so they still held a commanding seven-point lead after last Saturday's games.

Cardiff City, crushed 1-4 at Leyton Orient a week earlier, were held to a goalless draw at home by one of the strugglers, Stockport County.

Orient, too, have been looking far from consistent. They had won only once in six League games until last weekend. During the week, they had lost 1-3 at Scarborough but they returned to winning ways when defeating Wrexham 2-1 at Brisbane Road.

But Scunthorpe seem to have pulled through their bad times. Andy Flounders contributed a hat-trick to their 5-0 home win over Peterborough last Saturday. It was their third win in a row and Flounders, with five goals in his last two games, took his tally to 23.

At the bottom of the table, Newport County lost further ground even they drew 0-0 at Colchester. Carlisle's 2-0 victory over Rochdale, coupled with the point collected by Stockport, left the Welsh clubs stranded by 11 points at the bottom.

LEADING SCORER — JOHN THOMAS

John Thomas returned to Burnden Park for his second spell with Bolton last summer and he is now their top scorer with 19 goals. He began his professional career with Everton but did not come into contention for a first-team place at Goodison Park. During his early days he was loaned to Tranmere and Halifax to get some League experience.

He initially joined Bolton in 1980 but did not make a particular impression. After joining Chester in 1982, he really hit the goals trail. He led Chester's scoring list with 21 goals in his first season and that prompted Lincoln City to sign him for £22,000.

John topped the Red Imps' goals list with 14 in his first season but then lost his touch. A move to Preston in 1985 gave him the new challenge he needed and he was their top scorer with 18 goals in his first season. He went even better last term with 28 as Preston won promotion to the Third Division.

WELCOME TO BRUNTON PARK BOLTON WANDERERS

Bolton's failure in last season's play-offs doomed the club to its first-ever spell of Fourth Division football. But the Wanderers have made a spirited recovery and they are currently excellently placed to win one of the three certain promotion places.

At worst they should finish among the top six to figure in the play-offs again. Manager Phil Neal brought together a new striking partnership when he signed John Thomas (from Preston) and Trevor Morgan (from Bristol City) last summer. Thomas is now top scorer with 19 goals whilst Morgan has netted eight times.

Morgan has become quite a wanderer since Bournemouth signed him from Non-League Leytonstone in 1980. After making an early impression as a goalscorer, he was transferred to Mansfield in 1981 but, within weeks, he was back at Dean Court. In 1983/84 he was the Cherries leading scorer with 15 goals, even though he moved on to Bristol City before the end of the campaign. In 1984 he was transferred to Exeter City but a year later he linked with Bristol Rovers, topping their goals list with 19 in his first season. Last season he moved back to re-join Bristol City.

Stuart Storer, Steve Thompson and Robbie Savage have been settling down in midfield with the fourth place being filled by both Mick Brookman and Julian Darby. Gary Henshaw is also challenging for a place in midfield.

Storer began his League career with Mansfield in 1983/84 but later moved on to Birmingham where he was an occasional first-teamer. Last season he was transferred to Everton but it is only since his transfer to Bolton in December that he has won a regular game in League soccer.

Thompson developed in the junior teams and has been a fixture in the side for well over four years now.

Savage joined the club from Bradford City during the early weeks of the season. He began as a Liverpool professional but didn't play in their first-team. He spent most of the 1982/83 season on loan to Wrexham and was transferred to Stoke at the end of it. After only a few weeks at the Victoria Ground, he moved on to Bournemouth where he quickly established himself in the senior side. Bradford signed him last season.

Brookman and Darby both joined the club as juniors. Brookman got a few outings in the Wanderers' League eleven last season. Darby got his chance two seasons back, winning a regular place last season.

Henshaw emerged as a League player with Grimsby in 1983/84 and he won a regular place last season. He joined Bolton last summer.

Mark Came and David Sutton usually fill the central defensive positions.

Came was signed from Winsford United and earned his place in the Bolton side three seasons ago. He is now approaching his 150th League appearance.

Sutton is a player with a wealth of experience. He started his professional career with Plymouth and enjoyed two seasons as a first-teamer before transferring to Huddersfield in 1978. For six years he was a pillar at the heart of the Huddersfield defence until transferring to Bolton in 1984.

Paul Hughes and Derek Scott have been filling the full-back positions. Hughes joined the club as a trainee and made his League debut against Stockport in December.

Scott is a former England schoolboy international who developed with Burnley in happier times. He made his debut for the Clarets in 1975 and went on to complete well over 300 senior appearances before moving on to Bolton in 1985. Goalkeeper David Felgate is in his second spell with the club though he did not play in their League eleven during his first spell at Burnden Park. He played League soccer when loaned out to Rochdale, Crewe and Bradford City and he was eventually transferred to Lincoln in 1980. He held the first-team job with the Red Imps for four-and-a-half years then had loan spells with Cardiff and Grimsby before making a full transfer to Grimsby in 1985. He re-joined Bolton last season.

Bolton have won away games in the League at Hereford (3-0), Newport (1-0), Peterborough (4-0) and Stockport (2-1) and drew at Scunthorpe (1-1), Rochdale (2-2), Hartlepool (0-0) and Halifax (0-0).

They were beaten at Scarborough (0-4), Torquay (1-2), Darlington (0-1), Burnley (1-2), Colchester (0-3), Tranmere (0-2), Crewe (1-2) and Wolves (4-0).
